Over 30 years professional experience

About Essex Fire Protection Services Limited

Founded in 2020, Essex Fire Protection Services Limited is led by directors with over 45 years of combined experience in the industry. We proudly serve not only Essex but the entire UK, delivering dynamic, high-quality services tailored to our customers' needs.

Our Commitment

We are dedicated to excellence, investing in top-tier tradesmen and the latest technologies to meet our clients' objectives. Our workforce is fully trained and certified in SMSTS, SSSTS, CITB, CSCS, IPAF, PASMA, and IOSH, ensuring compliance with all aspects of Health and Safety.

Expert Advice and Relationship Building

Our approach centres on providing informed, specialist advice, allowing us to build strong relationships with our clients and gain a deep understanding of their needs. We prioritise being proactive and partnering with clients at every project stage to ensure they benefit fully from our expertise and confidence.

Our Services

We offer a comprehensive range of services, from high-profile projects to smaller tasks, and we can manage entire projects if required. Our realistic and client-focused team understands the importance of working within deadlines and budget constraints.

Why Choose Us?

Clients consistently praise our down-to-earth approach and attitude. At Essex Fire Protection Services Limited, we listen to our clients and are committed to delivering quality, reliability, and value in every project.

SERVICES**

Essex Fire Protection Services Limited | Suite 18 | Essex House | 15 Station Road | Upminster | RM14 2SJ

Our Fully Compliant Services

We specialise in the supply and installation of passive fire protection systems to new and existing buildings in accordance with The Regulatory Reform (Fire Safety) Order 2005 (FSO 2005) and offer third party accreditation as specified in Approved Document B of building regulations.

Services we provide:

- Fire stopping
- Fire curtains
- Fire doors
- Intumescent paint coatings to steelwork
- Acoustic stopping and air sealing
- Structural steel incasements
- Linear gap seals
- Fire barriers
- Cavity barriers
- Safety signs
- Compartmentation surveys

Our Company Accreditations

Commitment to Excellence

At Essex Fire Protection Services Limited, we continually strive for excellence in all of our endeavours. Our commitment is reflected in our prestigious SafeContractor and Constructionline Gold accreditations, along with our IFC third-party membership. These accreditations, audited annually, require meticulous documentation of installed passive fire protection systems. This includes detailed records of locations, photos, and installed systems, ensuring clear traceability. Additionally, random site audits are conducted to verify adherence to our stringent processes and procedures.

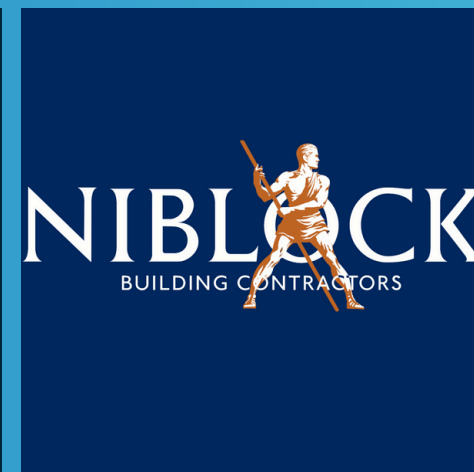

Our Current Clients

Commitment to Excellence

At Essex Fire Protection Services Limited, we take immense pride in the strong relationships we have built with our extensive and diverse client base. Our commitment to excellence has earned the trust of prominent industry leaders such as IMMES, Integral, Bellways, Aston Group, JLL, Sure BC, Ballymore, Barretts, and David Wilson Homes, among many others. By providing top-tier fire protection services tailored to meet the unique needs of each client, we have established ourselves as a reliable partner in safeguarding properties and ensuring safety. We are eager to extend our expertise and exceptional service to new clients, helping them achieve the highest standards of fire safety and protection.

Our Completed Projects

Dedicated Project Management

Our management team, responsible for overseeing your project, is backed by our experienced directors and a robust operational network. This structure ensures comprehensive support and guidance on best practices, enabling us to deliver fully compliant and successful projects.

We undertake a diverse range of projects, from smaller engagements starting at £20,000 to larger ventures exceeding £2 million.

Our Sectors

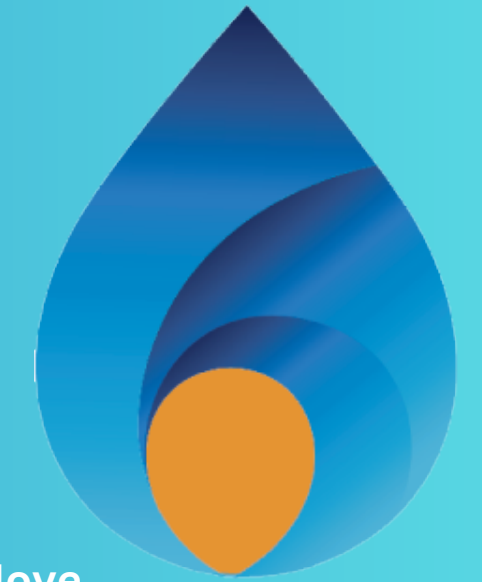

- ▲ New Build Housing
- ▲ Healthcare
- ▲ Facilities Management
- ▲ Social Housing
- ▲ Commercial Construction
- ▲ Hotels & Leisure
- ▲ Education
- ▲ Student Accommodation

Harlow Housing Project

Essex Fire Protection provided robust fire-stopping solutions for service penetrations across communal areas and within occupied flats at Harlow Housing

Our Completed Projects

Parkview Centre, London

At Essex Fire Protection, we delivered expert fire-stopping services for new air conditioning and ducting systems that penetrated compartment floors and walls.

Martlets Hospice, Hove

Essex Fire Protection expertly undertook fire-stopping installation for all service penetrations breaching compartment floors and walls. Our solutions are meticulously designed to achieve the required 60-minute fire rating.

Crown Plaza Hotel, Reading

Essex Fire Protection executed meticulous fire-stopping installation for all new service penetrations resulting from the installation of new air conditioning units at the hotel. This project spanned an extensive 10 phases.

Storage King, Milton Keynes

Essex Fire Protection delivered advanced intumescent spray to the steel structures, utilising Sherwin-Williams FX5062 water-based intumescent paint. Our solutions ensured the steel achieved the specified fire rating, enhancing structural fire resistance and safety.

Don't Just **Take Our** Word For It

I would just like to send you an email on behalf of Hodgson & Regan Maintenance to express how grateful we are for the work service Essex Fire Protection services have offered us as a company.

Everyone we have met representing the company has extensive knowledge and are always happy to help with any concerns we have had, any issues we have come across have be dealt with swiftly and efficiently. The work ethic is above and beyond to get the job done correctly and to a second to none standard/quality.

Overall, the service we have received is outstanding and would highly recommend your services to anyone requiring such work to be undertaken . We will 100% continue to use the company again for other projects in the near future.

Georgia Regan
